

## Here We Are

Gungor

As the deer panteth for the water  
So my soul longeth after Thee  
You alone are my heart's desire  
And I long to worship Thee

You alone are my strength, my shield  
To You alone may my spirit yield  
You alone are my heart's desire  
And I long to worship Thee

(This is it, here we are)  
(This is it, here we are)  
Be blessing and honor and glory and power  
(This is it, here we are)  
Be blessing and honor and glory and power  
(This is it, this is it)  
(This is it, here we are)  
Be blessing and honor and glory and power  
(This is it, this is it)  
(This is it, here we are)  
Forever  
(This is the Heaven we waiting for)  
(This is the peace we've been praying for)  
(This is it, here we are)  
(This is it, here we are)  
Be blessing and honor and glory and power  
(This is it, this is it)  
(This is it, here we are)  
Be blessing and honor and glory and power  
(This is it, this is it)  
(This is it, here we are)  
Be blessing and honor and glory and power  
(This is it, this is it)  
(This is it, here we are)  
Forever  
(This is it, here we are)  
(This is it, here we are)  
(This is it, here we are)  
(This is it, here we are)

This is the Heaven we waiting for  
This is the peace we've been praying for  
This is it, here we are  
This is it, here we are  
This is the Heaven we waiting for  
This is the peace we've been praying for  
This is it, here we are  
This is it, here we are  
This is the Heaven we waiting for  
This is the peace we've been praying for  
This is it, here we are  
This is it, here we are  
This is the Heaven we waiting for  
This is the peace we've been praying for  
This is it, here we are  
This is it, here we are  
This is the Heaven we waiting for

This is the peace we've been praying for  
This is it, here we are  
This is it, here we are
