

## back at it

Gunna

Back at it

Smokin' this 'Scotti, this shit startin' to hit like it's crack in it  
The boy got the rock and he sleep at the top like a crack addict  
Two racks just for the tank top, you niggas is pathetic

Back at it (Yeah)

Back at it (Yeah)

Mess the boy up and I gave them the drip, let them gon' on (Yeah)

And this is the thanks that I get, nigga, you tell me who on

Gotta go now, I can't prolong (Prolong), I'm out of space in a ozone (Ozone)  
In a spaceship let it float on (Float on), can't stop me now, nigga, hold on

Double R truck and it's black, yuh

Load 'em up, get 'em intact, yuh

I'm flyin' like the black like a bat, yuh

These fuck niggas poppin' my back, damn

Add up the numbers the math, yuh

I heard all of your stories is cap, yuh

Gervonta that boy out with a right jab

I bet he didn't know he was right there

I heard a few shots, that's a hot pair (Hot)

It's gon' be a whole 'nother sound

I promise that I can come drip the town

'Cause I ain't got no hate towards your town (Nah)

Nigga wan' see me walk with my head down

Think it's funny, I ain't playin' around (Nah)

I'm in my bed but a nigga ain't layin' down

If I pull up, I'm tearin' it down

Big Double R, it's the Rolls truck

Blow the dust off, get it back crunk (Yeah)

Go on a move, better mask up

Niggas caught up but be dead drunk

Ain't tryna sleep in-

Ain't tryna sleep in no damn bunk

I'm 'posed to be here making anthems

And some of you niggas know well enough

Gunna stay with it and it's been a minute, I know I been too hard to find

I had to admit it I know that you niggas could never be one of my kind

Asian persuasion

Asian persuasion, she's fine

Hit that shit right from behind

I can go two at a time
