

# Idk Why

Gunna

All I know is grind  
Wonderin' why the Lord is steady sendin' me in blessings  
I don't know why  
My woman thanked me for her purse  
And looked me in my face  
And then she started cryin'  
My talent take me different places  
I can say that lately I haven't turned to crime  
Every day I'm high, intoxicated  
I done swallowed me a whole 'Tussin, now I'm on a ride  
Investigators tried to put a cable on the table, I can't wear a wire  
I done made it in without a label, trust me, I be stable for a while

I'ma bet on me  
I don't care if it's a dollar, I got three more problems, that's a quarter each  
I got some snakes in my collar, lil bitch, I'm a slime and we don't ever sleep  
The commas are damn near robotic  
Same color powder, whiter than a sheep  
The pussy wet like she in heat  
Dolce & Gabbana on her feet  
Young Gunna slime, anaconda, we bite like piranha, me and my brother Keith  
Took 30k the whole summer, now I want a hunnid, I stopped bein' cheap  
Since that boy came out the gutter, now he chargin' fifty thousand for a beat  
I don't work for free  
The salesmen that know I be important, they say I spend like cruise-guided missiles with greed  
I know some women adore me, tell me I'm the realest they done seen  
I keep my mind on my money, 'cause that really all a n\*\*\*a ever need

All I know is grind  
Wonderin' why the Lord is steady sendin' me in blessings  
I don't know why  
My woman thanked me for her purse  
And looked me in my face  
And then she started cryin'  
My talent take me different places  
I can say that lately I haven't turned to crime  
Every day I'm high, intoxicated  
I done swallowed me a whole 'Tussin, now I'm on a ride  
Investigators tried to put a cable on the table, I can't wear a wire  
I done made it in without a label, trust me, I be stable for a while

I got better ideas  
I moved my mom to the boondocks, we already used to sleepin' in a cave  
I started sellin' that mota, and it gave me some moolah, servin' out our place  
Now I charge rappers for verses, I do it for a purpose, I don't wanna trade  
I don't gotta race  
OG told me my future was bright, gotta wear the shades  
Blessed life so I paint the coupe all white just to give him praise  
Came a long way from sittin' waitin' in that line for them new J's  
I can get away  
You gonna need you a surfboard when it come to me and Wheezy wave  
Can't get bigger than who you work for, 'cause you know some shit'll probably

y change

Chalk that shit up 'til we worth more, we ain't in that business for the fame

All I know is grind
