

Sakpase

Gunna

(That's a good one, Pete)

Sak pase? Brand new racks, ándale, I'm connected through checks
, and got pounds of this cake (Yeah)
West LA when I'm not in that A, ride a Benz Six-
trey and a gun metal grey
Pop my way, can't get out of their way, I'm still all in their
face, this shit really gon' age (Really gon' age)
Open the yard up, remind me of a race, bought the Maybach in Ma
y, I got millions to make (Yeah)

Do you know what this shit take? (Do you?)
I had to start from the base (Yeah)
Go broke, you get out of place (Get out of pocket)
These niggas' pockets deflated (Yeah)
More profit, you talking my language (Yeah)
I'm toxic, I'm intoxicated, all timing, they watchin' surveilla
nce (I see it)
Lil' mama gon' drink it and drain it
I'm in UK, they speak all different language (Huh)
She said "Merci beaucoup" when she thanked me
Jump in the coupe, you can hear the gears changing (Skrtrt)
Barely take off my top 'cause I'm famous
Walk how I talk, I don't do no explaining, went back to my bloc
k 'cause my hood underrated (Yeah)
I went and got them rocks and they brighter than Vegas
They added another dot then I signed it and dated

One-on-one-on-one in these rares (Yeah), stack all my t-
shirts in layers (Yeah)
I peep out the cut like a glare (Yeah), them folks see Gun-
Wunna and they stare
Barely got time, I keep Ms on my mind, havin' multimillion doll
ar meetings in the air (Multi)
Ho start lyin' for the bro and that's fine, I'm on P time and I
got plenty to share (P)
Back in the day, used to rock the Cazals (Yeah), been off that
work tryna make me a sale (Yeah)
What you gon' do if you get in a jam? (Yeah) Better send that C

ashApp the best way you can
They bring me through the back 'cause they know who I am
My skin look like glass like I been doin' glam
I stash expensive cash but don't tell Uncle Sam
I'm hoppin' out the Rolls, I'm still ringin' bells
