

## Satisfaction

Gunna

I'm out here on this road, I'm searching for my own satisfaction

I'm selling cross the globe, trying to protect my soul, keep me happy

Trapped before I lived, life's game I play my card this ain't the one I dealt

Get rich and beat all the odds, is that really ideal?

Knew we would get out of poverty, I said I will

Bang my shit until they tired of me and that's up around niggas thoughts charcoal

Tell me one time you don't know how far I go

How far I go? How hard I go?

Seeking for some peace I'm searching high and low

Shit ain't been easy but I got high hopes, high hopes, I got high hopes

I'm out here on this road, I'm searching for my own satisfaction

I'm selling cross the globe, trying to protect my soul, keep me happy

I'm in my zone and I'm far gone

For myself, I just fly strong

What I want, this ain't no good life, uh

For myself, I just fly strong

Como le cromo, me dicen Picasso

Un Chilen y así brillamos, brillamos, un coro, brillamos

El dinero y fashion me ofrecen bajo una presión

Pero aquí mato sin licencia

Amo el arte, como el toso, el pelo

I'm out here on this road, I'm searching for my own satisfaction

I'm selling cross the globe, trying to protect my soul, keep me happy

Guess that life a sin, wanna lose and built to win, and I just wanna win

Dot my I's and cross my T's and I stood on my ten

Shop my dogs across the city, shit thicker than thin

So much time I can't believe my cause still in the pen

Got a life sentence, I'm still waiting out

Know this shit go way back, back to tater tots

Handling my business I be at the top

Lonely at the top, top

I'm out here on this road, I'm searching for my own satisfaction
