

# WGFT

Gunna

It's so amazing what we've done  
Riding the wave of life, that's one  
Taking our time to feel the love  
We are a part of the love song

We gettin' fucked tonight, we gettin' fucked tonight  
We gettin' fucked tonight, we gettin' fucked tonight  
We gettin' fucked tonight, we gettin' fucked tonight (Run that back, Turbo)  
We gettin' fucked tonight, we gettin' fucked tonight

We gettin' fucked tonight, who gettin' fucked tonight?  
You gettin' fucked tonight? She gettin' fucked tonight  
She gettin' fucked tonight, she gettin' fucked tonight  
She gettin' fucked tonight, she gettin' fucked tonight  
Stop callin' her phone, she gettin' fucked tonight  
Blowin' down her line, you the buster type  
Knowin' that you lyin', we don't go for the hype (Yeah)  
Catched them from behind, niggas know I'ma snipe (Yeah)  
Suck it when I drive, baby know what I like (Yeah)  
Spread that pussy wide, lemme go for a dive (Yeah)  
Who gettin' fucked tonight? You gettin' fucked tonight  
Bae, you with it tonight? I'll pay whatever the price  
I'll knock her down, I'ma strike, I wanna fit it inside  
Gettin' with me is enticing, her pussy is my vice  
I see you, we gon' fight, you gettin' fucked tonight

It's so amazing what we've done  
Riding the wave of life, that's one (Who gettin' fucked tonight?)  
Taking our time to feel the love  
We are a part of the love song

We gettin' fucked tonight, we gettin' fucked tonight  
We gettin' fucked tonight, we gettin' fucked tonight  
We gettin' fucked tonight, we gettin' fucked tonight  
We gettin' fucked tonight, we gettin' fucked tonight

Don't bring your friend if it ain't gonna be a threesome  
Won't pretend, ain't gonna lie, I'm tryna freak some  
Hennessey, you a sweet one, you a freak, you's a demon  
And I'm just one more body, I don't really mean nothin', mm, mm  
Ah dey control, call me remote  
I push one button, it's off with your clothes  
If I don't do nothin', I do the most  
I wanna know, who gettin' fucked tonight?

We gettin' fucked tonight, we gettin' fucked tonight  
We gettin' fucked tonight (Uh), we gettin' fucked tonight (Oh)  
We gettin' fucked tonight (Uh), we gettin' fucked tonight (Uh)  
We gettin' fucked tonight (Uh), we gettin' fucked tonight

It's so amazing what we've done  
Riding the wave of life, that's one  
Taking our time to feel the love  
We are a part of the love song

We gettin' fucked tonight, we gettin' fucked tonight  
We gettin' fucked tonight, we gettin' fucked tonight

We gettin' fucked tonight, we gettin' fucked tonight (Uh, ooh, yeah, oh)  
We gettin' fucked tonight, we gettin' fucked tonight
