Diamonds and fast cars
Money to burn
I got my head in the clouds
I got these thoughts to churn
Got my feet in the sand
I got a house on the hill
I got a headache like a mother
Twice the price of my thrills

And it's a cold day, it's a continental drift I said this traffic is hell
Can you give me a lift
And I'll try to paint a story
Got your pictures to tell
Yeah you got to make a living
With what you bring yourself to sell

I got some genuine
Imitation
Bad apples
Free sample
For your peace o' mind
Only \$9.95
I got my camera back from customs
Got my law fees up to date
Hell they must've seen me comin'
Ain't this life so fuckin' great

When the shit hit the fan
It was all I could stand
Yeah, well I'm a frequent flyer
My body's breathing while it can
But what I don't understand is that
My world ain't gettin' no brighter

If I could touch the sky
Well I would float on by
While everybody's talkin'
Hell I'm just another guy
If it were up to me
I'd say just leave me be
Why let one bad apple
Spoil the whole damn bunch

Gold and caviar

Now whyn't you pour my apathy
I'd have all my bases covered

If I could teach my hands to see

But now we're down in the deep end

Where they'd love to watch you drown
I said your laundry could use washing

We'll hang it up all over town

I said Hollywood's like a dryer An we're down on sunset strip An you'll be suckin' down the clorox 'Til your life's all nice and crisp When the shit hit the fan
It was all I could stand
Yeah, well I'm a frequent flyer
My body's breathing while it can
But what I don't understand is that
My world ain't gettin' no brighter

If I could touch the sky
Well I would float on by
While everybody's talkin'
Hell I'm just another guy
If it were up to me
I'd say just leave me be
Why let one bad apple
Spoil the whole damn bunch

When the shit hit the fan
It was all I could stand
Yeah, well I'm a frequent flyer
My body's breathing while it can
But what I don't understand is that
My world ain't gettin' no brighter
