

## Breakdown

Guns N' Roses

We all come in from the cold  
We come down from the wire  
An everybody warms themselves  
to a different fire  
When sometimes we get burned  
You'd think sometime we'd learn  
The one you love is the one  
That should take you higher  
You ain't got no one  
You better go back out and find her

Just like children hidin' in a closet  
Can't tell what's goin' on outside  
Sometimes we're so far off the beaten track  
We'll get taken for a ride  
By a parlor trick or some words of wit  
A hidden hand up a sleeve  
To think the one you love  
could hurt you now  
Is a little hard to believe  
But everybody darlin' sometimes  
Bites the hand that feeds

When I look around  
Everybody always brings me down  
Well is it them or me  
Well I just can't see  
But there ain't no peace to found  
But if someone really cared  
Well they'd take the time to spare  
A moment to try and understand  
Another one's despair  
Remember in this game we call life  
That no one said it's fair

Let me hear it now

BREAKDOWN

let me hear it now

Yeah

BREAKDOWN

Let me hear it now

BREAKDOWN

let me hear it now

Get down with yo' bad self

Alright

I've come to know the cold  
I think of it as home  
When there ain't enough of me  
To go around  
I'd rather be left alone  
But if I call you out of habit  
I'm out of love and I gotta have it  
Would you give it to me  
If I fit you needs  
Like when we both knew we had it

But now the damage's done  
And we're back out on the run  
Fun how ev'rything was Roses  
When we held on to the Guns  
Just because you're winnin'  
Don't mean you're the lucky ones

BREAKDOWN

Let me hear it now

BREAKDOWN

Yeah

BREAKDOWN

BREAKDOWN

let me hear it now

"There goes the challenger being chased  
By the blue blue meanies on wheels  
The vicious traffic squad cars are  
After our lone driver  
The last American hero  
The-the electric sintar  
The demi-god,  
The super driver of the golden west!  
Two nasty Nazi cars are close behind  
The beautiful lone driver  
The police cars are getting closer-closer...  
Closer to our soul hero in his soul mobile- Yeah baby!  
They about to strike, They gonna get him, SMASH! RAPE!  
The last beautiful free soul on this planet

But...it is written if the Evil Spirit  
Arms the Tiger with claws  
Brahman provided wings for the Dove  
Thus spake the Super Guru" \*  
"Did you hear that"
