Oh yeah

Oh yeah

Well if you don't like it go ahead find yourself a saint
Go ahead now try to find a boy who's gonna be what I ain't?
What you need is a plastic doll with a fresh coat of paint
Who's gonna sit through the madness?
And always act so quaint and may be oh yeah

Well a it's your new friend
You're really making a scene and I've seen you
Bouncing in around from machine to machine
But you know that they're never really, never really what they seem
And you can count on generate some warmth
Then you'll see just what I mean oh baby, baby, baby yeah

And if I'm acting like a king don't ya know it's 'cause I'm a human being
And if I want too many things don't ya know it's 'cause I'm a human being
And if I've got to dream don't ya know it's 'cause I'm a human being
And when it gets a bit obscene don't ya know it's 'cause I'm a human being

I don't gotta walk around with my head on down
Just like a human oh no a human being
I can hold my head so high
Just like a human a real proud human being

Won't you give me a little sip
Why won't you give me a drag of that cigarette
Why don't you try try to give me something that I'll never ever forget
But now could you blow it all on a million dollar bet
Because you're liable to lose it on a bet that you've had yet
Oh baby baby, oh yeah

And if I'm acting like a king don't ya know it's 'cause I'm a human being
And if I want too many things don't ya know it's 'cause I'm a human being
And if I've got to dream don't ya know it's 'cause I'm a human being
And when it gets a bit obscene don't ya know it's 'cause I'm a human being

I don't gotta walk around with my head on down
Just like a human oh no a human being
I can hold my head so high
Just like a human a real proud human being

It's like I'm talkin' 'bout the human race
You're tryin' to cover up a big disgrace
Baby, yeah, yeah, yeah
Come on, come on, come on, come on

Well I may think that this whole scene is just a too appalling for me
Well, I may be the type your mad about funny little thing that I see
But I can colour that with history, and make it just what I want it to be
Well I'm blowin' my change on the fan magazines
With all the Hollywood refugees oh baby baby oh yeah

And if I'm acting like a king don't ya know it's 'cause I'm a human being

And if I want too many things don't ya know it's 'cause I'm a human being
And if I've got to dream don't ya know it's 'cause I'm a human being
And when it gets a bit obscene don't ya know it's 'cause I'm a human being

I don't gotta walk around with my head on down
Just like a human oh no a human being
I can hold my head so high
Just like a human a real proud human being

I'm a human being, I'm a human being
I'm a human being, I'm a human being
I'm a human being, I'm a human being
I'm a human being, I'm a, I'm a, I'm a, I'm a
I'm a, I'm a human being
