

# Shadow of Your Love

Guns N' Roses

Took my chances carelessly  
choked on my own cigarette  
You can hand me another bottle of whiskey baby  
but you aint seen the worst yet

Now I'm reckless, gonna have some fun  
and the woman who is dead  
who was out alright, no I'm not the only one

And I ain't standing, never standing  
in the shadow of your love  
shadow of your love  
shadow of your love  
shadow of your love

Wrote my changes helplessly  
yeah but I got no regrets  
Money it was on the table  
so I booked with all the bets

Living like a lemon aint so hot  
and you aint my idea  
of one high-rollin' shot

No I ain't standing, never standing

Big dark clouds hanging over your head  
hope you've heard, baby all I've said  
You've been told, what I've said  
No use crying, you're as good as dead

Now I'm reckless, gonna have some fun  
and the woman who is dead, who is out alright  
now I'm not the only one

And I ain't standing, never standing
