

## Street of Dreams

Guns N' Roses

All the love in the world couldn't save you  
All the innocence inside  
You know I tried so hard to make you  
Ooo to make you change your mind

And it hurts too much to see you  
And how you left yourself behind  
You know I wouldn't want to be you  
Now there's a hell I can't describe

So now I wander through my days  
Trying to find my ways  
To the feelings that I felt  
I saved for you and no one else  
And though as long as this road seems  
I know it's called the street of dreams  
But that's not stardust on my feet  
It leaves a taste that's bittersweet  
That's called the blues

I don't know just what I should do  
Everywhere I go I see you  
Though it's what you planned, this much is true  
What I thought was beautiful, don't live inside of you anymore

I don't know just what I should do  
Everywhere I go I see you  
Though it's what you planned, this much is true  
What I thought was beautiful, don't live inside of you anymore

What this means to me  
Is more than I know you believe  
What I thought of you now  
Has cost more that it should for me

What I thought was true before  
Were lies I couldn't see  
What I thought was beautiful  
Is only memories

Oh oh oh  
What'd I tell you  
Oh oh oh  
That's  
Oh oh oh  
Oh oh oh  
Inside if you
