

Think About You

Guns N' Roses

I said baby you been lookin' real good
You know that I remember when we met
Funny how I never felt so good
It's a feelin' that I know
I know I'll never forget

Ooh, it was the best time I can remember
Ooh, and the love we shared
Is lovin' that'll last forever

There wasn't much in this heart of mine
There was a little left and babe, you found it
It's funny how I never felt so high
It's a feelin' that I know
I know I'll never forget

Ooh, it was the best time I can remember
Ooh, and the love we shared
Lovin' that'll last forever

I think about you
Honey all the time, my heart says yes
I think about you
Deep inside I love you best
I think about you
You know you're the one I want
I think about you
Darling you're the only one
I think about you, yeah
Ha, ha, ha

I think about you, you know that I do
I think about you, all alone, only you
I think about you, oh, it's true
I think about you, oh, yes I do

Somethin' changed in this heart of mine
You know that I'm so glad that ya showed me

Ooh, it was the best time I can remember
Ooh, and the love we shared
Is lovin' that'll last forever

I think about you
Honey all the time, my heart says yes
I think about you
Deep inside I love you best
I think about you
You know you're the one I want
I think about you
Darling you're the only one

I think about you
I think about you, oh you
I think about you, only you
I think about you, you know I do
I think about you, only you

I think about you, only you
Only you, only
