

Fly For Your Life

GUNSHIP

We own the sky, you and I
(We own the sky, you and I)
Take it tonight, fly for your life
(Fly for your life)
(Fly for your life)

There's one thing I know for sure
You gotta fly for your life
You've got those dangerous eyes
You've got those dangerous
One I've never seen before
Silhouette into the sun
Are you ready to burn
Are you ready

We'll keep falling in love
We'll keep falling in love

Oh, it's a miracle
I got spirit, I got wings
I got fire in my lungs

I don't know what you're fighting for
You better fly for your life
It's just another disguise
Do you ever think of me
'Cause you're the ghost in my heart
You've got those dangerous eyes
You've got those dangerous

We'll keep falling in love
We'll keep falling in love

Oh, it's a miracle
I got spirit, I got wings
I got fire in my lungs

We own the sky, you and I
Take it tonight, fly for your life
Just fly for your life

We'll keep falling in love
We'll keep falling in love

Oh, it's a miracle
I got spirit, I got wings

We'll keep falling in love
We'll keep falling in love
We'll keep falling in love
We'll keep falling in love
