

Can't Keep Runnin'

Guordan Banks

Let me prove I'm ready to love you
My feelin's too hard to undo
I'm patient but you can't be playin'
You're taken, just let me know

If you're not then, it's on
'Cause I'm feelin' the way it's goin'
I want it now, are you down?
Are you down to hold me down?
Yeah

Can't keep runnin' in and out of my life
Can't keep runnin' in and out of my life

My heart is yearnin' for your love
Heaven sent, an angel from above
I need you right here by my side
Just tell me if you gotta go

If you don't, then it's on
'Cause I'm feelin' the way it's goin'
I want it now, are you down?
Are you down to hold me down?

(Can't keep runnin')
Can't keep runnin' in and out of my life
(In and out of my life)
Can't keep runnin' in and out of my life
(You just can't keep runnin')
Can't keep runnin' in and out of my life
(In and out of my life)
Can't keep runnin' in and out of my life

Oh, I'm yearnin', yearnin' for your love
Yeah, baby, yeah, baby
Yeah, baby, yeah, baby
I'm yearnin', yearnin' for your love
Baby, yeah baby yeah baby

Can't keep runnin' in and out of my life
Can't keep runnin' in and out of my life
(No, you can't keep runnin' no, no, no)
Can't keep runnin' in and out of my life
(Ooh, don't run)
Can't keep runnin' in and out of my life

(Out of my life)
(Out of my life)
(Out of my life)
(Out of my life)
