

Infinity 2012

Guru Josh

And take your time
To trust in me
And you will find
Infinity

Here's my key
Philosophy
A freak like me
Just needs infinity

Relax
Take our time

The time goes by
So naturally
Why you'll receive
Infinity

And take your time

To trust in me
And you will find
Infinity, infinity, infinity
Infinity, infinity, infinity

The time goes by
So naturally
Why you'll receive
Infinity, infinity, infinity
Infinity, infinity, infinity
