Plenty

When she wants plenty, she gets plenty When she wants plenty, she gets plenty When she wants plenty, she gets plenty Then she gets plenty more, uhh

When she wants plenty, she gets plenty When she wants plenty, she gets plenty When she wants plenty, she gets plenty Then she gets plenty more, uhh

Uhh, watchin' her drivin' by, in her new whip so fly Wish she could sing me a lullaby, to scoop her I've got to try In her eyes, there's a flame that burns right through my soul Can't pretend to be cool, about to lose my control Yeah, I know she's got plenty admirers, she's got many Like an exotic fantasy, into a frenzy she sends me Wow, I have to sit down, and gather my wits now I wanna caress those hips now, wanna kiss those lips now

Hey, baby, I know you called and I didn't answer twice But baby, that's okay it's nice For you to call anyway see, okay, see uhh Hey, baby, you know it's okay if you don't call me Anymore 'cos I got a plenty truckload of niggaz like you at my door

When she wants plenty, she gets plenty When she wants plenty, she gets plenty When she wants plenty, she gets plenty And then she gets plenty more, uhh

Yup, and every day is her day, and every year is her year Anyone tried to violate, they could straight dissapear She don't care if you play yourself, tryin' to step to her The illest of gangsters, I show and respect to her Truly glamourous, she ain't impressed and it shows She don't like your new clothes, she don't care about your playa pose Do you suppose I could hook up and spend time with her? She's just how I dreamed, I'll bust my nine for her

When she gets plenty, she gets plenty When she gets plenty, she gets plenty When she wants plenty, she gets plenty Any damn thang she wants, uhh

Uhh, surgeon general, I provide vitamins and minerals The charge that she's got on me, should be federal I was told never put the two before the one son But always cultivate your wisdom, to help you build your kingdom I wanna be the answer to every question she has So when I wish to enter, she'll be lettin' me pass I know she wants to be with GOD eventually, but still She got everythin', yeah, the girl's got plenty

Flowers in her bedroom, perfume on her neck Nectar from a Mason jar, seven dollar dress She's super cute and plenty bad, thirty, twenty two, thirty six and a half I, hope the dude will realize she got the silky, sexy bedroom eyes Baby, baby, please don't break yo' neck, 'cos you gon' have a wreck 'Cos when it comes to love I get plenty, degrees one twenty My back slipped out my dress, oops

When she gets plenty, she gets plenty When she wants plenty, she gets plenty When she wants plenty, she gets plenty And she gets plenty more, yeah

When she wants plenty, she gets plenty When she wants plenty, she gets plenty When she wants plenty, she gets plenty And any damn thang I want, right?

That's right, in this game of life it takes a lot to win Plenty more baby's what I got to give Yeah, yeah, baby, that's really nice But I'm tryin' to read my book and you're in my light Uhh, a woman like you could help me reach the top If I get a chance to love you, I won't stop Damn! Oh, huh, what? Huh, what? I didn't hear you I was thinkin' bout some stuff

Baby, you so fine I wanna smack myself I don't need no support I'm gonna back myself Hoo, baby, you so sweet Now can you get the lotion and rub my feets In massage therapy I got a Master Degree I give you plenty more, than what you askin' from me

I need a little bit of space, a little bit of wealth, okay And oh, about the feets, a little to the left Like this, like that? Yeah Feels good right? You don't really care, I do Heh, you the queen, huh? More lotion C'mon, you got plenty That's good, alright? That's good right?
