

# Landslide

Gus Dapperton

I took my love and I took it down  
I climbed a mountain and I turned around  
And I showed my reflection  
In the snow covered hills  
Till the landslide brought me down

Oh, mirror in the sky  
What is love  
Can the child within my heart  
Rise above?  
And I get sail through the changing  
Ocean tides  
Can I handle the seasons  
Of my life?

Oh-oh-oh, I don't know  
Oh-oh-oh, I don't know

Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes bolder  
Children get older  
I'm getting older too, yeah

Oh, mirror in the sky  
What is love  
Can the child within my heart  
Rise above?  
And I get sail through the changing  
Ocean tides  
Can I handle the seasons  
Of my life?

Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes bolder  
Children get older  
I'm getting older too, yeah  
Yes, I'm getting older too

So, if you take this love and take it down  
If you climb a mountain and you turn around  
And if you see my reflection in the snow-covered hills  
Well, the landslide will bring it down, down  
And if you see my reflection in the snow-covered hills  
Well, the landslide will bring it down, down  
Oh, the landslide will bring it down
