

Do What You Want

Guster

C

C F G
Be a sinner or a saint
Emi Ami/F
Take the beauty over brains
Emi F G
On your mark and draw the X's on the eyes
C F G
Fill it in or leave it blank
Emi Ami
Be the hero or the crank
Emi F G
Under cover with the secret alibi

R

F
Do what you want
C
Just say so
Emi
Open up your mind
Ami Ami/G F
Doesn't matter at all
C
Ah ah ah ah ah
G
No one's gonna care or nothin'

F
So ready or not
C
Here we come
Emi
Walk into the night
Ami F
Doesn't matter at all
C
Ah ah ah ah ah
G
No one's gonna care if we disappear

C F G
On your knees or on your back
Emi Ami
Under siege on the attack
Emi F G
Gone forever like a darling clementine
C F G
Wrap your fingers in a fist
Emi Ami
Twist your lips into a kiss
Emi F G
Cross your heart and go into the open wide

R

No one's gonna care if we disappear

Br:

Ami F
And where we goin' it's so far away

C G Emi
I'm by your side

Ami F
When we're together we can find the place

C G As Ami
That's why we are just who we are
