

Lazy Love

Guster

Wake on up, let's not get lazy, love
We're always so lazy, love
We're wasting our time

When we came up, we were amazing, love
We were amazing, love
We were divine

Come on up, let's not get lazy, love
We're always so lazy, love
Wasting our time

When we came up, we were amazing, love
Let's get amazing, love
We are divine
