

San Junipero

Guster

Just passing through now
I know what I'm supposed to do
A note in a bottle
Found its way to you

'Cause I see you and you see me
Yeah I see you and you see me again

And I know you and you know me
Yeah I know you and we know how this ends

Did we miss our moment?
Where am I supposed to turn?
Trip everlasting
We can be anyone

Somewhere in the sky
We live and we die
In San Junipero
Over and over again

Here in the sky
We live and we die
In San Junipero
Over and over again
