

# Terrified

Guster

Jenny whispered 'what does it all mean? '  
Sometimes I feel like caught in the machine  
But not forever, nothing is forever  
Soon we'll all be gone, we're bound to  
Stop, stop, stop, stop, stop, stop, stop, stop  
Na na na na na na na na na na na na na na  
Na na na na na na na na na na na na na na

Maybe we're all criminals and this is just a scene of a crime  
Holy matrimony make some money and wind down 'til we die  
Circling chairs until the music stops  
Until it ends you got to

Open up your heart  
Everybody's got it hard  
We're built and then fall apart  
We're all terrified

Jenny whispered 'I see what you mean'  
A broken bottle in a washing machine  
But not forever, who says forever  
Soon we'll all be gone, we're bound to  
Stop, stop, stop, stop, stop, stop, stop, stop  
Na na na na na na na na na na na na na na

Maybe we're all criminals and this is just a scene of a crime  
Holy matrimony make some babies and lay down 'til we die  
Circling chairs until the music stops  
Until it ends you got to

Open up your heart  
Everybody's got it hard  
We're built and then fall apart  
We're all terrified

Circling chairs until the music stops  
Circling chairs until the music stops  
Circling chairs until it stops

Open up your heart  
Everybody's got it hard  
We're built and then fall apart  
We're all terrified

Open up your heart  
Open up your heart  
Open up your heart  
We're all terrified

Open up your heart  
Open up your heart  
Open up your heart
