

# The Sun Shines Down on Me

Guster

I'm getting closer to the fact  
I've turned my back on silly dreams  
And I'm walking down that lonely road  
And my heavy load I didn't bother to bring it

And the sun shines down on me  
I fell like I deserve it  
And the sun shines down

I'm hiding out where you can't see  
Behind the wall in the back of the room  
And I'm crawling slowly through the dark  
And feeling for a punch line

And the sun shines down on me  
I want to feel like I deserve it  
And the sun shines down

I'm walking down that empty road  
It ain't empty now because I'm on it  
And I'm getting closer to a hope  
That I can carry and take home with me

And the sun shines down on me  
I feel like I have to earn it  
And the sun shines down
