

Two Points For Honesty

Guster

A **Hmi**
If that's all that you will be
G **D**
You'll be a waste of time
A **Hmi**
You've dreamed a thousand dreams
G **D**
None seem to stick in your mind
A **Hmi**
Two points for honesty
G **D**
It must make you sad to know that
A **Hmi** **G**
Nobody cares at all

D **G** **Hmi** **G**

D **G**
I want to be where I've never been before
Hmi **G**
I want to be there and then I'd understand
D **G**
Know I'm right and do it right could I get to be like that
Hmi **G**
How to know what I don't know nothing more to gain

D **G**
Will I get better or stay the same?
Hmi **G**
I find I always move too slowly
D **G**
Can't lift a finger can't change my mind
Hmi **G**
I never knew till someone told me that
