

## Diamond Studded Bumble Bee

Guttermouth

Mt. rushmore is my favorite monument  
The goldsteer is a gorgeous restaurant  
Golden tan and a latin accent  
Cowboy boots and cologne  
What is this a gift for me?  
A gorgeous piece of jewelry  
A diamond studded bumble bee  
It looks good on you or me  
I love the way it looks on mr. t  
I was a pirate in a former life  
Miners and piano players  
What is this gift for me?  
A gorgeous piece of jewelry  
A diamond studded bumble bee  
It looks good on you or me  
No -- no-no-no-no-no  
It goes well with a sequined dress  
And accentuates my hairy chest  
I love carrots not in stew  
Holiday in africa  
No, I'm a jewelry lover
