

Let's try and be positive here for a minute, shall we? can you
dig brother's and sisters? I'm talking about we're here to spre
ad joy throughout the world with our beautiful music. now I kno
w you

What I'm saying

Here we go!!!

Wonderful life

Come on friend no time to lose

'Cause we ain't gonna sing the blues

It ain't going to matter now

The lord said let's get it down

Think of us as jesus and you are our disciples. we is gonna lea
d youz on a fantastic journey to happiness, such as you have ne
ver dreamed of. you know what I'm saying friend? holds on to my
hand

Man

Here we go!

Wonderful life

Raise that roof work that ass

Fill my tank with disco gas

We pump the dopest jam around

G-mouth here to get on down

On behalf of myself, pastor mark, I ask you all to add a little
something to the collection plate

Here we go!

Wonderful life

Forgive me, mark. for I have sinned. one more time you won't ge
t in. I robbed another taco bell, sorry joe, it's straight to h
ell.

Spread the word across the land

You will be my new husband

7 days a week you'll play

And if you don't do what I say

Straight to hell

Straight to hell

Straight to hell

Straight to hell

By your command
