

No Such Thing

Guttermouth

Wrap your legs around me baby
I'll fill you with my love
I'll be pullin' out my power pole girlie
And show you what it does

Most girls are afraid of me
But once you give me a chance
I sure like what you're showing
Now let's rock and roll baby
Cause there's no such thing as love

Get busy rocking baby
Get busy rolling
Show what you got inside
Get busy rocking
Get busy rolling
I know what you've got inside, yeah

No such thing
There's no such thing as love.
