

## Teri Yakimoto

Guttermouth

Teri yakimoto..  
From tokyo..she came here for 90 days  
By foreign exchange..  
Teri yakimoto she barely speak my language  
She's a genius with a mohawk  
If only we could talk

One day I asked her if she knew bruce lee  
I think she thought he was in the offspring

Teri yakimoto I asked her out for a beef bowl  
She brought her ball and shoes and glove  
What was she thinking of?  
Teri yakimoto she's a japanese punk rocker  
With a tattoo of godzilla and a tribal zig-zag man

We went to go see ( ? ? ) boy was she surprised  
When they played rock n roll ( ? ? )  
She got tears in her eyes...

Teri yakimoto in the back seat of my toyota  
With the hatch up she hops on top  
Teri never lets it stop

One day I asked her for a slice of pie  
I think she thought I asked for some stir fry

The other day teri said mark go get a big mac  
Then I had her walk on my...
