Under The Sea

Guttermouth

```
if i lived under the sea sea sea
i think it would be neat as it could be be be
i could visit all the fish
anytime i wish
if i lived under the sea

i could harpoon a whale
put its blubber up for sale
gee that would be great
i could saute the legs
of a friendly octopus
1,2,3,4,5,6,7,8

if i lived under the sea sea sea
i think it would be neat as it could be be be
i could visit all the fish
anytime i wish
if i lived under the sea

it would be so neat to see a tanker washed up on american soil
or see the pretty hooks
in the mouth of a fish
floating in a sea of motor oil

if i lived under the sea sea sea
i think it would be neat as it could be be be
i could visit all the fish
anytime i wish
if i lived under the sea

i can visit all the fish
anytime i wish
if i lived under the sea
