

# All Through Throwin' Good Love After Bad

Guy Clark

Oh a time there was I was feelin' so hopeless  
It's a wonder I didn't cave in  
I kept throwing love at all the wrong people  
Never to see it again.

Oh Lord won't you look what I've found  
Starin' me right in the face  
I'm through bein lonely I'm through bein' sad  
I'm all through throwin' good love after bad.

When I think of all the time I have wasted  
Wearin' my heart on my sleeve  
Entrusting my love to the kindness of strangers  
Oh I was so naive

Oh Lord won't you look what I've found  
Starin' me right in the face  
I'm through bein lonely I'm through bein' sad  
I'm all through throwin' good love after bad.
