

# Chicka Boom

Guy Mitchell

Chicka-boom, chicka-rack  
Chicka-boom, chicka-rack  
Chicka-boom, chicka-rack, she's singin'  
Her shoes paddy-wack in front and the back  
And her yellow curls go swingin'  
Bells just rang, Bo-o-o-ing  
My eyes lit up and my heart went bang  
Her shoes paddy-wack in the front and the back  
Chicka-boom, chicka-racky-boom

It was way up in Alaska  
And the moment that I passed her  
In my heart a little bugle blew attack  
Though I knew I should resist her  
I walked up to her and kissed her  
And she didn't slap my face, she kissed me back

Chicka-boom, chicka-rack  
Chicka-boom, chicka-rack  
Chicka-boom, chicka-rack, she's singin'  
Her shoes paddy-wack in front and the back  
And her yellow curls go swingin'  
Bells just rang, Bo-o-o-ing  
My eyes lit up and my heart went bang  
Her shoes paddy-wack in the front and the back  
Chicka-boom, chicka-racky-boom

Told me she was from Seattle  
Where her Daddy raises cattle  
But she's far away from home and so forlorn  
Said the Yukon had her freezin'  
And it would be mighty pleasin'  
If I'd hug her once or twice to keep her warm

Chicka-boom, chicka-rack  
Chicka-boom, chicka-rack  
Chicka-boom, chicka-rack, she's singin'  
Her shoes paddy-wack in the front and the back  
And her yellow curls go swingin'  
Bells just rang, Bo-o-o-ing  
My eyes lit up and my heart went bang  
Her shoes paddy-wack in front and the back  
Chicka-boom, chicka-racky-boom

Oh, for her love I'd swim to China  
But I'm not a rich goldminer  
I can't give her things like rings an' fancy furs  
But I'm still not gonna back-up  
Gonna paint my little shack up  
I'll tell her if she wants it, well it's hers

Chicka-boom, chicka-rack  
Chicka-boom, chicka-rack  
Chicka-boom, chicka-rack, she's singin'  
Her shoes paddy-wack in the front and the back  
And her yellow curls go swingin'  
Bells just rang, Bo-o-o-ing

My eyes lit up and my heart went bang  
Her shoes paddy-wack in the front and the back  
(Her shoes paddy-wack in the front and the back)  
Chicka-boom, chicka-rack, chicka-boom, chicka-rack  
(Chicka-boom, chicka-rack, chicka-boom, chicka-rack)  
Chicka-boom, chicka-rack  
Boom, chicka-rack  
Boom, chicka-rack  
Chicka-boom
