

Crazy With Love

Guy Mitchell

Hey sugar, you're sweet. You're my baby.

Well, I'm crazy 'bout the way you dress, oh baby, crazy 'bout the way you smile.

You're A number 1, the best, oh honey, you make my life worthwhile.

Cuz I'm crazy with love, well, I'm crazy with love.

Like a fishy loves the sea, like a birdy loves the tree, I just gotta have you for me.

Maybe I tell myself, oh sugar, you're just too good to be true
I pinch myself, but it ain't no dream, well baby it's really you.

Mmmm, crazy with love, well, I'm crazy with love.

Like a fishy loves the sea, like a birdy loves the tree, I just gotta have you for me.

Mmmm,. You set my heart a- spinning like a whirly, twirly top
Well it's only the beginning and I pray that it never will stop

I'm wild 'bout the way you kiss me, oooh baby, you tingle me to my toes.

Together we just can't miss, no baby, the feeling just grows and grows.

I'm crazy with love, well, I'm crazy with love.

Like a fishy loves the sea, like a birdy loves the tree, I gotta have you for me.

Mmmm, sugar. Mmmm, you're my sweetie. Mmmm, and my baby.

Mmmmmmm.

Well, you set my heart a-spinning like a whirly, twirly top

Well it's only the beginning and I pray that it never will stop

Well, baby, I'm wild about the way you kiss me, you tingle me to my toes.

Together we just can't miss, no baby, the feeling just grows and grows.

Cuz I'm crazy with love, well, I'm crazy with love.

Like a fishy loves the sea, like a birdy loves the tree, I just gotta have you for me.

Mmmmm, my sugar. Mmmm, oooh sweetie. Mmmmm, you're my baby.

Mmmmmmmmm.
