

Believer

Guy Sebastian

Take a deep breath cause you're getting ahead of yourself
What gave you the idea
I'd be better off with someone else
You keep picking yourself apart
Saying you're not good enough
Made up the truth in your mind
But if you really mean
The words you just said to me

Then show me a light that shines
Brighter than your green eyes
And find me a pain that cuts
Deeper than losing you
If you think I should leave
Sell it to me like a preacher (like a preacher, like a preacher)
But you'll never make me
Never make me a believer

You are the reason
That I believe in myself
The fighter of all of my demons
You love me through heaven and hell
From the centre to the surface
Every inch is perfect
If you only you looked at yourself
Through my eyes you would see
There's no way that I could leave

Then show me a light that shines
Brighter than your green eyes
And find me a pain that cuts
Deeper than losing you
If you think I should leave
Sell it to me like a preacher (like a preacher, like a preacher)
But you'll never make me
Never make me a believer

How could I leave
How could I give up morning coffee
And kisses
You're like religion to me
Dancing at midnight, red wine
Your hand in mine
Yeah You're everything
You're everything
You're everything
(You're everything)
You're everything
(You're everything)

So show me a light that shines
Brighter than your green eyes
And find me a pain that cuts
Deeper than losing you
If you think I should leave
Sell it to me like a preacher (like a preacher, like a preacher)
But you'll never make me

Never make me a believer

Take a deep breath cause you're getting ahead of yourself
