

Maybe

Guy Sebastian

I know they say you should take your time
When you're not looking that's when you find
Someone that's worth your while
I try to stay patient but how could I, how could I, oh

All I know is I'm done, I'm all in
I can't help it if I keep falling
Head over feet
You make a mess out of me, oh

Don't want to leave it up to maybe
Give me a moment, I'll take it
I know they say that good things come to those who wait
Why would I want good if I got great?
Oh baby, I've never been good at waiting
I know they say that good things come to those who wait
Why would I want good if I got great, oh?

Don't want to die with a wasted chance
Won't let you go slipping through my hands
That's why I'm moving fast
One look, I'm already making plans to be your man

Oh, all I know is I'm done, I'm all in
I can't help it if I keep falling
Head over feet
You make a mess out of me, oh

Don't want to leave it up to maybe
Give me a moment, I'll take it
I know they say that good things come to those who wait
Why would I want good if I got great?
Oh baby, I've never been good at waiting
I know they say that good things come to those who wait
Why would I want good if I got great, oh?
(Good if I got great, oh?)
(Good if I got great, oh?)

Oh
All I know is I'm done, I'm all in
I can't help it if I keep falling
Head over feet you make a mess out of me
Oh

Don't want to leave it up to maybe
Give me a moment, I'll take it
I know they say that good things come to those who wait
Why would I want good if I got great?
Oh baby, I've never been good at waiting
I know they say that good things come to those who wait
Why would I want good if I got great, oh?
