

## D-O-G Me Out

Guy

Drop it  
(Why you wanna-? Why-, why you wanna-?)  
Yo, G, this beat is kickin'  
(Why you wanna-? Why-, why you wanna-?)  
Let's ask a girl for a dance  
(Why you wanna-? Why-, why you wanna-?)  
You got one over there, I'll get this one right here  
And get that one right there  
(Why you wanna D-O-G me out?)  
(Let's get funky)  
Can I have this dance?  
(Let's get funky)  
I just asked for a dance  
(Let's get funky)  
Why you gotta be like that?  
(Let's get funky)  
Well, it's cool, it's cool  
(Let's get funky)  
Yo, drop it

Stepped in the party, looked around  
Asked this girl to dance  
She caught an attitude, wasn't in the mood  
Thought I wanna get in her pants  
I told her I wasn't that kind of guy  
She said I'm tryna lead her on  
I said, "Babe, I want to be your man  
Why you wanna do me wrong?"

(Why you wanna D-O-G me out?)  
(Why you wanna dog me out?) I never did you any wrong, baby  
(Why you wanna dog me out?)  
(Why you wanna D-O-G me out?) Why you wanna dog me?  
(Why you wanna dog me out?)  
All I asked for is to dance  
(Why you wanna dog me out?)  
Nasty Man, drop it

Went to the store, saw a girl  
Really turned me on  
I said, "Yo, man, I don't care what to do"  
Yo, maybe if you sing her a song  
She would love me all night long  
Yo, tell her what you wanna do  
I said, "I wanna make sweet love to you"  
So you're not my type of guy

(Why you wanna D-O-G me out?) Yeah  
(Why you wanna dog me out?) Why you wanna dog me?  
(Why you wanna dog me out?) Hey, yeah
