Fellas, check out the girl I wanna get with
Honey is so slick, I gotta pick
Every peak makes me wanna be near her
Believe me, she's in here, right over there
Dope as PCP, who is she?
Lookin' so sexy, it gotta be
I know I'm the man that was made for her
I can carry the weight plus a date with
Yeah, her, it will be smooth
Make me the center game, believe me, you can't lose
So lay back and let me prove I'm the mack
It's written, in fact, my lovin' style ain't wack
Peekin' at diary after diary, I see
Page after page full of nothing but me
Ladies, tell me what you think about that
Fellas, get with this, I gotta get her

Take off your shades
One minute down

Yo, check out the girl I wanna get with
Honey is so slick, I gotta pick
Every peak makes me wanna be near her
Believe me, she's in here, right over there
Dope as PCP, who is she?
Lookin' so sexy, it gotta be
I know I'm the man that was made for her
I can carry the weight plus a date with
