

# Long Gone

Guy

This is a dedication, in memory of our family and friends  
Al Davis, Jason  
Duke Gilliard, Curtis Bun, Vaughn Drew  
Damion and Aaron's mother, Jonnella Romeo Hall  
And their aunt, Joyce Hall  
Big Anthony B  
T Roy from Heavy D & The Boyz  
Sammy Davis, Jr, Sara Vaughn  
My little brother, Brandon Mitchell from Wreckx-n-Effect  
My grandmother and my grandfather

Sometimes I feel like I'm going crazy  
Life seems so short and then you're gone  
I'm not gonna let the problems of this world  
Get the best of me before I get the chance to see  
My little girls grow up to be  
Such fine young ladies, one big family  
Gotta find us a place so far away  
Where there'll be much better days  
I wanna go away

I wanna be long gone  
Where the wind blows free  
From sea to sea  
Where I can be me  
I've gotta be long gone  
Somewhere I can call home  
Just singing my song  
I'll be long gone

If we try, I know we can succeed  
We can be who we wanna be  
When we wanna be  
What we wanna be  
Is a proud group of people (Of people)  
Growing stronger everyday (Day)  
Bringing peace in every way  
Where every day could be a holiday

I wanna be long gone  
Where the wind blows free  
From sea to sea  
Where I can be me  
I've gotta be long gone  
Somewhere I can call home  
Just singing my song  
I'll be long gone  
I've gotta be long gone

I've gotta be long gone  
Hey  
I've gotta be long gone  
Ooh, woah  
I've gotta be long gone  
Long gone, girl  
I've gotta be long gone  
Ooh, long gone

I've gotta be long gone (Long gone)  
Where the wind blows free (Free, yes)  
From sea to sea (Sea to sea)  
Where I can be me (I can be me)  
I've gotta be long gone (Long gone)  
Somewhere I can call home (Yeah)  
Just singing my song (Singing my song)  
I'll be long gone (Yeah, yeah, yeah, yeah, yeah)  
Can you hear me? (Hey)  
I want to be (I want to be) long gone (Long gone)  
I've gotta be long gone (I've gotta be, I've gotta be, yeah)  
Somewhere I can call home (Call home)  
Just singing my song (Singing my song, singing my song)  
I'll be long gone (I'll be long gone)  
(Long gone)  
Hey (Hey, hey), long gone  
I want to be (I want to be) long gone (Long gone)  
I've gotta be long gone (Long gone)  
Somewhere I can call home (I can call home)  
Just singing my song (Singing my song, singing my song)  
I'll be long gone (Yeah)

Yeah, hey  
Yeah  
Hey  
Hey, hey, long gone  
Yeah  
In the morning, in the night  
Yeah  
Promise it'll feel right  
Give me the chance  
One in the mornin', it won't be long  
You gon' look for me and I'll be gone  
I'll be long gone  
I'll be long gone  
Oh, yes, I will  
I'll be long gone  
Rest in peace
