

# Piece Of My Love

Guy

Do love you!  
(Oh)  
You can have a piece of my love (oh)  
It's waitin' for you (oh)  
Girl, it's true  
(I)  
You can have a piece of my love (lovin', baby)  
It's waiting for you (hey)  
Girl, it's true  
You can have a...  
Baby, you can't have all of me  
'Cause I'm not totally free  
I can't tell you everything that's goin' on  
Baby  
There's a few things in my past  
That should not be explained  
I'm askin' you, baby  
Be with me for a lil' while (You can have a...)  
Please hush  
No questions asked  
Lay back and relax, girl  
(I do love you, girl, it's true)  
Now, kick off your shoes  
Now, put your head down (is waiting for you)  
Since we're here now, baby  
I'm givin' you a piece of me you can't have (You can have a...)

You can have a piece of my love (one and two, my love)  
It's waiting for you (one, for you; two, waiting for you)  
Girl, it's true (one, you can have a piece of my love)  
You can have a piece of my love (one and two, my love)  
It's waiting for you (one, for you; two, waiting for you)  
Girl, it's true (one, you can have a piece of my love)

I do love you!  
I know that this is wrong  
But the feelin's so strong  
I wish this could last forever  
But it wouldn't be the same  
Tell me, who would be to blame  
If we were to hurt all over again? (You can have a...)  
Please hush (you can have a piece of my love)  
No questions asked  
Lay back and relax (I do love you!)  
Take off your shoes  
Let your pretty, sexy hair down (girl, it's true)  
It's time now, baby  
I'm givin' you a piece of my love (You can have a...)

You can have a piece of my love (one and two, my love, baby)  
It's waitin' for you (two, my love, my love, whoa, yeah!)  
Girl, it's true (one, you can have a piece of my love)  
You can have a piece of my love (one and two, my love, baby)  
It's waitin' for you (two, my love, my love, whoa, yeah!)  
Girl, it's true (one, you can have a piece of my love)

You can have a...

Kick off your shoes  
Let your pretty head down  
Let's make love over, and over, and over, and over again! (You can have a...
