

Teddy's Jam 2

Guy

Yo, stop
Are y'all ready for the jam?
I said, are y'all ready for the jam?
Yo, G, kick it

Jam, oh, jam
Jam
Teddy, jam for me
Oh
Teddy, jam for me
Dum-dum-diddle
Oh
Teddy, Teddy, jam
Teddy
Dum-dum-diddle
Teddy, Teddy, jam
Oh
(I just want to jam for you)
(All night long)
Teddy, jam for me
(Don't you want to jam for me?)
With me now
Teddy, jam for me, yeah
Sounds good to me
Oh, oh, oh, oh, jam for me
Jam for me
Oh, jam for me
Come on, Ted
Jam for me, yeah
(Jam for me)
I don't know about you, oh
(Jam for me)
Sure feel good for me
Play it, Teddy
Play it, Teddy, baby, now
Sounds so good to me
Teddy jam
Can you jam feel it?
You playing like you never played before
I can feel it
Teddy

You're rockin' with the G, baby
It's the G, G, baby
You gotta get with the program, baby
'Cause if you can't get with the program, you ain't with it
You ain't got it, baby

I don't know what it going on
Everything you play, it sounds too good
It feel real good to me
Teddy, jam for me
Jam for the people
Take me to Heaven, baby
Come on, Teddy
Jam for the people
They need to hear you

Play it a little louder, Teddy
Come on
(That right there)
Jam for the people
Everywhere you go
Sing it and sing it
Come to your country
All over the world
For me, for me, Teddy
