

# Berserker Mode

GWAR

Born of the all-father  
God of death and war  
Shape-shifting, shadow-walker  
An ox  
A pig  
A whore

I'm the Berserker  
Rage burning out of control  
I'm the Berserker  
Poet with a warrior's soul  
I'm the Berserker  
Anger flips a switch and I go  
Into Berserk Mode  
Berserker Mode

Assembled from the darkness  
Mist becomes my form  
Hermaphroditic bison  
Lead singer of GWAR

I'm the Berserker  
Rage burning out of control  
I'm the Berserker  
Hooker with a heart of gold  
I'm the Berserker  
God of Cock and Roll  
Pole for every hole  
Plus one!

I feel it coming  
Berserker Mode  
I'm tripping balls and  
I'm dropping loads  
No blade can harm me  
The fates forebode  
Oderus usurper  
On his commode

Into the battle's heat  
Howling like a beast  
I'll slay a thousand foes before I rest  
I swallow burning coals  
My mouth begins to foam  
I'm biting on my shield now I'm depressed  
Let's all do some Shrooms of Doom!

Now I'm a rockstar  
All jacked up on speed  
The horde screams out in rapture  
I've got the love you need

I'm the Berserker  
Rage burning out of control  
I'm the Berserker  
Poet with a warrior's soul  
I'm the Berserker

Anger threw a switch and I go  
Into Berserk Mode  
Berserker Mode!
