

Every Little Thing She Do

GWAR

Though I've tried before to tell her
Of the feelings I have for her in my heart
Every time that I come near her
I just lose my nerve as I've done from the start

(Fuck it)

Every little thing she does is magic
Everything she do just turns him on
Even though his life before was tragic
Now he knows his love for her goes on
And on and on

Do I have to tell the story
Of a thousand rainy days since we first met
It's a big enough umbrella
But it's always me that ends up getting wet
Motherfuckin' Why? Why am I wet?

Every little thing she does is magic
Everything she does just turns him on
Even though his life before this was tragic
He still knows this love for her goes on

I resolved to call her up
A thousand times a day
Ask her if she'll marry me
In some old fashioned way
But my silent fears have gripped me
Long before I reach the phone
Long before my tongue has tripped me
Must I always be alone

Every little thing she does is magic
Everything she does continues to turn him on
Even though his life before was most tragic
Yes, be aware this love for her goes on

Every little thing she does is magic
He confesses that she still turns him on
His life was most tragic, yes we are aware
Yet his love continues to go on

Oh, every little breath you take
Every little move you make
Every vow you break
I'll be watching you
I'll be watching you
Like magic (Magic)

Magic, magic
