

I'll Be Your Monster

GWAR

You know where to find me honey
Hiding under your bed
Better sleep with the light on sugar
Been awhile since I fed

I'll be your monster baby
I'll be your monster baby

Now you won't see me when the sun is up
I've been lurking in your closet
I'm waiting for you buttercup
What are you afraid of sweetie?
What's put the fear into you?
It's just a nightmare, but some dreams do come true

I'll be your monster baby
I'll rip you apart
I'll be your monster baby
Gonna take your heart
I'll be your monster baby
I'll feast on you
I'll be your monster baby
I'll eat you up I love you so

I'll roar my terrible roar
Gnash my terrible teeth
I'll show you my terrible claws
And what's terrible underneath

I'll be your monster baby
I'll be your beast
I'll be your monster baby
On your body I want to feast
I'll be your monster baby
Oh please don't go
I'll be your monster baby

I'll eat you up I love you so
