

## In Her Fear

**GWAR**

In her fear in her fear in her fear  
You tried to walk away  
How far did you go  
And then you came back  
You called to let me know  
I went to visit you  
I rode on a bus  
But when I got to you  
By then you were on the bus  
In her fear in her fear in her fear  
I called to let you know  
I called just, I called just, just  
But there was no one home.  
I'm coming after you  
I'm gonna make you love me  
And you'll be so proud of me  
That when I visit you  
You won't be scared of me  
I come to visit you  
I just want to talk to you now  
I just wanna look at you  
Now I'm strapped to the electric chair  
In her fear
