

Penguin Attack

GWAR

THEY ATTACK

THEY ATTACK

They are on a rampage

Unleashed from ancient time

Stumbling from the ice age

Marching side by side

Beaks of steel are flaming

Women are enraged

Sky of death is flaming

Women get engaged

They were born of atomic steel

Life and death to them seemed so unreal

Slashing at the ramparts

Hurling tons of shot

Shopping now at Wal Mart

Smoking tons of pot

They are on a rampage

They were first to fight

They would write a new page

If they could only write

They were born of atomic steel

They attack

Life and death to them was so unreal

They attack

C'mon baby, kick 'em in the ding - ding

Trouble on the double's what it b-b-b-b bring bring

They were born of atomic steel

They attack

It's a penguin attack

So get back

They were born of atomic steel

Life and death to them was so unreal

armored phalanxes

flanking maneuvers

vomiting terror

Gibsons and Hoovers

Blasted by fusion

Kicked in the head

just to make sure

It's a penguin attack

They were born of atomic steel

Life and death to them was so unreal

Stumbling from the ice age

They were last in flight

They would write a new page

If they could only write

Rumbling from the ice age

They were last in line

They would start a new age

If they could just take time

It's a penguin attack

C'mon baby, kick him in the ding-ding
