Gwen Stefani

"I'll never be adored"  
That's what I used to tell myself  
And what's a heart for  
When it doesn't even love that well?

Every wrong turn is the one I take  
And every wrong move is the one I make  
I've bloomed, my petals have fallen  
And you showed up, and you say that you're all in

I, I-I-I-I, I never felt pretty 'til you loved me  
I always felt pretty, pretty, pretty unlucky  
I, I-I-I-I, I never felt pretty 'til you love me  
And now I feel pretty, pretty, pretty lucky

Look into my eyes  
And show me what I couldn't see  
I didn't see the light  
Now I sparkle like a diamond ring

Every wrong turn took me right to you  
Makin' out all night in the living room  
I've bloomed, my petals have fallen  
And you showed up, and you say that you're all in

I, I-I-I-I, I never felt pretty 'til you love me  
I always felt pretty, pretty, pretty unlucky  
I, I-I-I-I, I never felt pretty 'til you love me  
And now I feel pretty, pretty, pretty lucky

Pretty, pretty, pretty lucky  
Pretty, pretty, pretty

Until you love me  
Until you touch me  
Never felt so lovely  
Until you, 'til you, 'til you, 'til you, oh

I, I-I-I-I, I never felt pretty 'til you love me  
I always felt pretty, pretty, pretty unlucky  
I, I-I-I-I, I never felt pretty 'til you love me  
And now I feel pretty, pretty, pretty lucky

Pretty, pretty, pretty lucky  
Pretty, pretty, pretty
