

True Babe

Gwen Stefani

Your tattoo still looks cute to me, cute to me
We're old news, but you're new to me, new to me

I wanna fly to your shows, wanna wake up in your clothes
Come get you tipsy at 6:30, wanna take tonight slow
Yeah, it's all right
In my life

'Cause it's true, babe, true, babe
I'm sleepin' better next to you, babe, you, babe
You're somethin' sweet, you're somethin' true, babe, true, babe
You do it better than they do, babe, uh-huh

La, la, la, na-na, na-na, na, na, na, na

We could stay home and never leave, never leave
Take the truck up the coast with me, coast with me

I wanna fly to your shows, wanna wake up in your clothes
Come get you tipsy at 6:30, wanna take tonight slow
Yeah, it's all right
In my life

'Cause it's true, babe, true, babe
I'm sleepin' better next to you, babe, you, babe
You're somethin' sweet, you're somethin' true, babe, true, babe
You do it better than they do, babe, uh-huh

La, la, la, na-na, na-na, na, na, na, na
'Cause it's true, babe, true, babe
La, la, la, na-na, na-na, na, na, na, na

And we're from two different worlds
But you still call me your pretty girl, pretty girl
Before you, it was all a blur
Come on and call me your pretty girl, pretty girl

'Cause it's true, babe, true, babe
I'm sleepin' better next to you, babe, you, babe (I'm sleepin' better
next to you, babe)
You're somethin' sweet, you're somethin' true, babe, true, babe
You do it better than they do, babe, uh-huh

La, la, la, na-na, na-na, na, na, na, na
'Cause it's true, babe, true, babe
(You're somethin' sweet, you're somethin' true, babe, true, babe)
La, la, la, na-na, na-na, na, na, na, na
(You do it better than they do, babe, uh-huh)
