Woo... (play, bazooka!)
Woo...

When the morning comes beep-beep
The same melody
Similar emotions as yesterday
Surround, surround me

Shh, shh, skip, better get over it again
Wake up from the far-away dream
Wake-up! wake-up!

Since an unknown time, it's shaking, my space
But I'm on my pace
Don't shoot! stop it now!

The hidden and invisible planet
The upcoming meteorite
Ma showdown!

(Watch me, watch me, watch me, watch me)
The dust is
(Watch me, watch me, watch me)
Getting closer
Running towards me from that star
I got the secret rocket

My, bazooka!
It's shining twinkle, twinkle
Oh! all night! oh my!
The stars are falling

Play, bazooka!
With the bass get ya, get ya
The universe will be waken by my jam

It will embrace me (watch me! watch me!)
It will find me (catch me! catch me!)
The dust in the universe

My, bazooka!
Worries are fake, fake
Oh! all night! oh my!
Play, bazooka!

In this frustrated city (yeah!)
I'm an astronaut! (bang!)
It bumps me in the shoulder, gives me a look then vanishes (oh! dang!)

I hold my breath and watch
Shh, wait!? what's the sound?
Who's attacking my universe
I - I'm stressed, ready for counterattack (brrrah!)

Since an unknown time, it's shaking, my space
But I'm on my pace
You can't stop me nah!

The planet is close, don't know why
The faster meteorite
Ma showdown (it's our showdown)

(Watch me, watch me, watch me, watch me)
The dust is
(Watch me, watch me, watch me)
Getting closer
Running towards me from far away
I got the "g-021"

Look, bazooka!
We twinkle, twinkle
I, maybe, maybe
Will get over it soon

My bazooka!
The universe goes boom, boom
It's exploding
I got the "g-021"

My, bazooka!
It's shining twinkle, twinkle
Oh! all night! oh my!
The stars are falling

Play, bazooka!
With the bass get ya, get ya
I'll infuse life into you more

I'll embrace you (watch me! watch me!)
I'll find you (catch me! catch me!)
Don't worry I'll protect you

My, bazooka! (I'll watch over you, watch over you)
Worries are fake, fake
Oh! all night! oh my!
Play, bazooka!

Those stars boom, boom, boom
Get closer zoom, zoom, zoom

Aim it, fire, bazooka!

We goin' boom, boom, boom
With our groo, dance, dance, dance
Sing it, play, bazooka!
