The time like a maze in the darkness (yeah yeah yeah)

The endless long night (woo)

Frottage I started by putting

The dream to the moon (oh)

I'm clearly coming out (I I I)

I'm shining even when it's dark

I'm shining more because it's dark

I go after the moonlight I run to the stars

The light is following (woo wah ah)

Ey no one can easily

Look at me like the sun

I'll light up your path

I'll give you tomorrow
