Gyokie uh huh
Na na na na na eyy ya

My mind dey for you
My heart beats for you
Every time when I think of you
I don't know...
I, I, I feel loved again
I don't want to wait for days
Lemme have you in my arms again
Please?

When they all said I can't have you
I proved them wrong I came for you
Any weather, any mood too
Omo you know I'll still come through, uh huh
Gimme love, yeah
Forever, yeah
