

Right Here

Gyakie

I want to know your name
I want to know the things that drives you insane
Look me in the eye, don't be shy I want this to stay
Cause this love is all right here
I want to be the one you know that
I want to know all of your flaws
Ignore the rest, I want you all round
Baby don't leave, you know I won't
If you try that with me, I no go greeee boy
Cause it's all I got right here

Girl you my major swear you my savior
And you know say me leave you for u
And I gat you foreal
There's no major break up
Cause we must make up
And you know say me leave for you and I gat you foreal
I can't tell it's like I'm loosing me
Baby you do things that brings me here
This one love I won't let go so free
Cause it's all I got right here

I can tell is like am loosing me
Baby you do things that that brings me here
This one love I won't let go so free
Cause is all I gat right here
Girl you my major swear you my savior
And you know say me leave for u
And I wanna gat you foreal
There's no major break up
Cause we must make up
And you know say me leave for you and I gat you foreal
If you gat blames on me
Make you no stress on me

All yur problems on me
No body else
If you gat blames on me
All your problems on me
Mami make you no stress on me
No body else baby call me
I can tell is like am loosing me
Baby you do things that that brings me here
This one love I won't let go so free
Cause is all I gat right here

I got you feeling something nice
I got you feeling slow
If you want to take it, something right
I got you feeling slow
Something I know I can't deny
I want you feeling so lit
Cause it's all I gat right here
I gat you feeling something right
I gat you feeling slow
Baby you came into my life
Baby you take my soul

Something that I can't deny
U gat me feeling so deep
This is all I gat right here
