

Kiss From a Stranger

Gyllene Tider

Anyone who ever had a heart,
should know what is like
Anyone who ever been in love,
should know what is like

I've made up my mind

'cause it feels like the first time,
I steal a kiss from a stranger, yeah

Two people shouldn't be alone,
and girl we're running out of time
I've gotta know what's inside
a woman's heart, and inside of mine

You've made up my mind

Cos it feels...

Just emotion away
Just emotion away
